June 5th Rotary Program

Photo courtesy of Richard Lowe

Pictured above is Van Buren County Conservation Director Jim Settles with "Robert C", a bobcat killed on J40 west of Keosauqua two years ago. Jim gave a program on June 5th to the Keosauqua Rotary Club on the markings of bobcats and their presence in Van Buren County.

Special Program-July 10th

Rotarian Ron Bonjour has invited Rotarian Dr. Robert L. Morrissey to give the Rotary program on Tuesday, July 10th.

Dr. Morrissey is an assistant to the President of Indian Hills Community College for Governmental Affairs & Community Relations. He will be talking to us about the new Job Corp Center to be established at Indian Hills Community College.

Rotary members are being asked to invite a business leader who is not in Rotary to attend this informative meeting concerning the new center that will have a great impact on our local region.
